

Sponsorship Opportunities for Pink Up The Pace
2017 5k walk/run
www.pinkupthepace.org

We would like to cordially invite you and your company to become an integral part of "Pink Up The Pace" 5k walk/run. This year's event will begin with our exciting and popular expo on Friday, October 6th at First Coast Technical College. On Saturday, October 7th, we will kick off October's Breast Cancer Awareness Month with our 5k walk/run through our historic downtown St. Augustine. Pink Up The Pace (PUTP) is a non-profit organization founded by Cindy Ortiz Chaconas in 2009, when diagnosed at age 28.

The race is now in its 9th year and continues to make an impact and grow. The 2009 inaugural race brought in over 800 participants and raised \$20,000. In 2016, there were 2,400 participants and \$40,000 raised. All the money raised stays in St. Johns County and goes directly towards our mission of assisting the uninsured and underinsured in the early detection of breast cancer. Due to the success of this event and the need in our community, PUTP was able to assist 194 patients (women and men) in 2016 with breast imaging (a total of 140 mammograms, 11 MRIs, 46 Ultrasounds, and 10 breast biopsies).

Information about sponsorship options is listed below. We'd love to have you join us in our efforts towards another successful race!
